Simple Club Doings.

While Mrs. W. was busy in her
kitchen preparing the light refresh-
ments for her bridge club, which in-
cludes the more well-to-do of the neigh-
borhood, Sally Hill, a poor farm-
er's child, came in with a donation of
home-made pickles. "My mother be-
longed to a club, too," said Sally. "Does
she? And what do they do? Play
cards?" "No." "Sew?" "Oh, no;
they just draw names out of a hat to
see who'll have the next meeting."

Woman and Suffrage.

If a woman demands votes, offices
and political equality with men, as
among the Shakers an elder and elder-
ess are of equal power—and among
the Quakers—it must not be refused.
It is very cheap wit that finds it so
droll that woman should vote.—Ralph

FOR PARIS PEOPLE.

Had to Know the Time.

"I understand," said the judge, "that
you stole the watch of the doctor who
had just written a prescription for
you at the free dispensary. What
have you to say to this charge?"
"Well, your honor," said the prisoner,
"It is true, but I found myself in a
hole. His prescription said a spoonful
every hour, and I had no watch."

To Make Tires of Paper.

Experiments have recently been
made in Europe looking to the utiliza-
tion of paper in the manufacture of
pneumatic tires, tests recently made
having convinced the experimenters
that paper has the strength of metal,
the elasticity of rubber, and a cheap-
ness that is to be found in neither of
these materials: all important qual-
ities.

Thief-Proof Umbrella.

An umbrella made thief-proof by
being locked in such a manner that
it cannot be opened has been invent-
ed by a London cloak-room attendant.
The locking device consists of a metal
collar, one end of which may be
slipped down over the rib-tips, and
is securely locked to them by revolving
the three metal rings. These
rings bear the letters and numerals
of the secret combination.

Beauty in Expression.

If the great number of women who
believe that they are sadly lacking
in beauty who pass valuable time and
money in vainly trying to acquire it
could but be brought to realize that
the highest form of beauty is that
of expression! This is attained by
the possession of inward graces, which
frequently transform a so-called plain
face into one more beautiful and win-
ning than the combination of a per-
fect complexion and regular features.

Painful Discovery.

"Well," said the dentist as with a
steel instrument he tapped Mr. Ack-
lin's tooth, "I told you when I put
that crown on that it might give you
trouble. I never guarantee a crown-
ed tooth." "Oh, I know. I wish I'd
had the blame thing pulled!" moaned
Mr. Acklin sadly. "I've found out to
my sorrow that uneasy rests the tooth
that wears a crown!"

Must Be Warned.

The Prussian building code has just
received a rather remarkable amend-
ment. It provides that the huts for
the use of laborers connected with
building operations must be suitably
warmed between November 1 and
April 1—when the outside temperature
reaches fourteen degrees, that is,
eighteen below freezing.

Burley Tobacco Growers Boost Your Own Brands

We, as you know, are using your choicest tobacco in the
brands of Strater Bros. Branch, and you know that nobody grows
better tobacco than you do. You know how we manufacture, so
you know that these brands are perfection. Now we want you to
help us sell these brands this year even better than our best
previous years. The reasons you should so help are as follows:

You Are Part Owner

The fact that you grow the tobacco
makes you part owner of all these brands.
Every time that one sells you profit.
Every word that you say in favor of any
helps to increase those sales. Every
brand that you buy for your own use
helps make those profits better. All our
interests—your interests and ours—are
pooled in these several tobaccos. It is
logic that you should bend all of your
efforts, however small, in the selling.

The United Power of 40,000 Buyers

40,000 men in a section wield an enor-
mous buying influence. If all ask for
these brands when they buy tobacco
there results a gigantic sale. And big
sales are the best advertising known.

To Dealers! Dealers throughout the United States know these famous tobaccos.
They are Nation-wide sellers—popular brands. They are helping these
dealers to prosper. They are made from the pick of the famous crops of 40,000 growers.
Every one of these growers is boosting them all. So are all of their friends. This method is
bringing the profits to dealers—to those who sell these brands. Are they working for you?
Here are the mild, fragrant smoking brands—GOLDEN GLOW—PENNY POST—FULL PAY.
Here are the delicious chewing brands—INDEX—BY JOE TWIST—CUP—DAY'S WORK
—ON THE SQUARE—TORCHLIGHT—STRATER'S NATURAL LEAF.

Helps a Judge in Bad Fix.

Justice Eli Cherry, of Gillis Mills,
Tenn., was plainly worried. A bad
sore on his leg had baffled several doc-
tors and long resisted all remedies.
"I thought it was a cancer," he wrote.
"At last I used Bucklen's Arnica Salve
and was completely cured." Cures
burns, boils, ulcers, cuts, bruises and
piles. 25 cents at Oberdorfer's.
